

Happy Birthday!!

Description

Hello friends!! I am here with a cute birthday card.

Image not found or type unknown

I love to add my hand drawn elements to my projects and for this card I drew a cute bunny image and a big balloon image. Colored both using the no-line coloring technique. Loosely colored the background with blue to give it a sky look and added some splatters. Stamped the birthday sentiment from “*Birthday Wish*” set by Stampendous. I really like how it turned out and how cute it looks. Hope you will like this bunny card too.

Thank you so much for stopping by and see you all soon.
