I found this week's CAS-ual Friday's challenge quite interesting, you have to create a CAS card with an element that goes off the edge of the cardfront. Unique isn't it?

I came up with this card.

always like the glittery gift papers on the gift boxes, it makes the gift more special. So I wanted to create the pile of gift boxes which goes off the edge. I drew these gift boxes on a watercolor paper and colored them with the watercolor pencils, applied some stickles on it and painted the background with Distress inks (Worn Lipstic & Antique Linen) added some sequins. Sentiment is by Hero Arts (CL371).

Thank you so much for visiting and see you soon.
