

Happy To Know You

Description

Hello everyone, Kanan here. Today I am going to share a simple yet bright floral card which i made using [Ray Of Sunshine](#) collection by [Joy Clair Designs](#).

Here's my card.

Image not found or type unknown

I used “

[Modern Duet](#)” digital stamp set for this card. I coloured the images using Polychromos pencils. Added some dot using white gel pen. One a card base I added two strips of black card stock and adhered my images on it. Added the sentiment and lastly, added some black splatters for more interest. This collections has so many beautiful floral images, I am sure you will enjoy colouring them.

Thank you so much for visiting.
