My New Year's resolution was to use those unused beautiful stamps which I already have. This Hero Arts stamp set is one of those lovely stamp set. When my card making journey started I bought this stamp set along with few other pretty sets. I have used this set a lot i those days and it is still dear to my heart. The Stage -2 of CASometry Challenge by Anna is all about 1 Randon Stamp set + using one stamp minimum 3 times. I chose this cute set by Hero Arts "Kiss For The Sun" and stamp the branch image three times in different direction by changing the position. Added all the sweet images from the same set and colored everything using zig markers. The sentient is also by Hero Arts "Stamp & Cut

Butterflies” set. I hope you like my take and get inspired.

Thank you so much for stopping by and see all very soon.
