Hello friends, happy Monday to all!!! ðŸ™, 

The

“Bed of Roses” stamp by Penny Black is so versatile, I love to use it in all different designs.

My inspiration for this card came from this dress which I pinned on my Pinterest board for quite sometime now. Just love the shiny material of the dress and beautiful soft and bold colored flowers. I just wanted to replicate the colors on my card with clean and simple design.

Here

is the final look of my card.

to take all the beautiful colors of the dress on my card, I colored the flowers and leave with Prisma pencils and arranged them on glossy of white card base, just like the model is wearing. After that I added some stickles on the flowers. For more interest I punched the bottom edge of the card, I guess it looks elegant and finally added the gems. The sentiment is also by Penny Black. I love the simple yet colorful look of the card, hope you all liked it too.

Thank you so much for stopping by and see you again soon. ðŸ™,
