© P_62 Love the inspiration picture at Runway Inspired Challenge.

I come up with this card.

the beautiful design and bright colors of the inspiration picture. For my card I used stencil to create the background and various colors of Distress and Memento inks. I love that orange stockings, so I used My Favorite Things "Wild Flowers" stencil and modeling paste and created the flower with very thin layer as I wanted the transparent effect like the stockings, after the paste was dry I inked it with Distress inks. Added the sentiment by Hero Arts and some gems. Love how it turned out, specially that embossed flower. Hope you will like this colorful card.

Thank you so much for visiting and see you all very soon.
