Here's my card

---

“Painted Flowers” set by Altenew for this card. I watercolored them using distress inks and highlighted it with Faber Castell’s polychromos pencils. I love how it turned out. I wanted to add some gold color and some texture so I added a lace on which I adhere my flowers and lastly added some sequins. The sentiment is also by Altenew from “Floral Motifs” set. Love these colors together. I love this particular stamp, each time you get different look, very very pretty. Hope you will like this simple card with all the pretty colors.

Thank you so much for stopping by and see you all very soon. Thank you for leaving lovely comments each time. ?
