So I came up with this card.

[20130212_230547](#) I used stamp form Hero Arts (CL439) and stamped the branch on to imaginisce paper and punch few hearts using Martha Stewart's punch and arrange them on my card base, for the bird house again used the same paper. I colored two birdies with Prisma pencils and drew little hearts with the pink pencil. I stamped my sentiment on American Crafts paper (Dear Lizzy Neapolitan collections) and add white lace, which I colored with Distressed ink and water and finally added glitter on all the hearts.

Thank you so much for visitng, see you soon. ?
