

I Love You

Description

Hello all!!! I used reverse stamping technique in today's card.

[20130315_143220](#) I wanted to make this boy and girl puppy and wanted them to sit besides each other so I tried reverse stamping technique, I am very happy with the result. Penny Black stamp sets are super cute and I used (Mimi in Paris and Mimi's Many Love) :-). Colored the puppies with Prisma Colored pencils, I drew bows for the more specific look for girl and boy puppy, colored those bows with prisma pencils. I made the Polaroid and used one cloud image paper by Recollections and distressed the border with Distressed ink (Antique Linen & Tumbled Glass), drew some hearts here and there, used some washi tape, wood veneer bird and bow for embellishment and some stickles on hearts, bows and bird.

Thank you so much for stopping by, see you soon. ?
