

I Miss You!!!

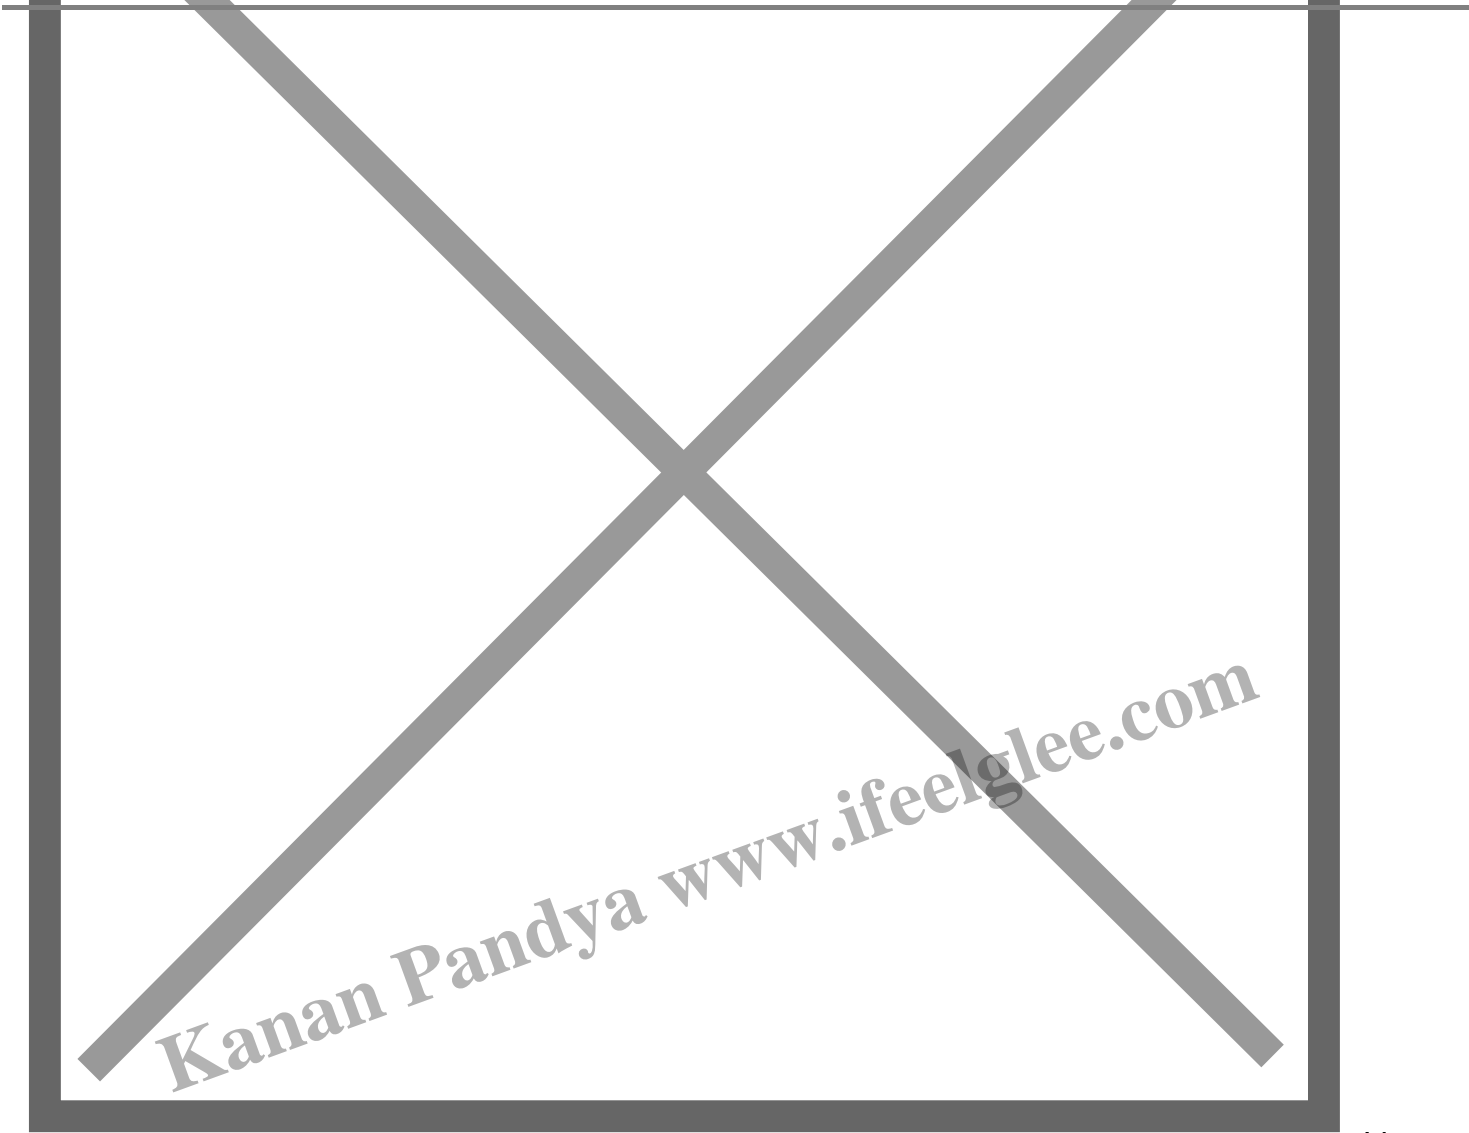

Description

Hello friends!! I am back with a new card. ?

Image not found or type unknown

Here is my card

I just

love this cutie by WPLUS9. She is so beautiful and so very cute. I colored her with my all time favorite medium which is Prisma colored pencils. I wanted to add some colors on the background so I took some tiny images from "Fresh Cut Floral" stamp set by WPLUS9 and created the background using Memento and Distress inks and added a strip from BasicGrey's "Mint Julep" collection. After that added my lovely image with few foam squares and added the sentiment. Lastly added some gems. Most beautiful think of this cute image is her eyes, what do you say? Hope you will like my card.

Thank you so much for visiting and see you all very soon. ?
