Here's my card

Image not found or type unknown

I used my favorite Mimi stamp from “Jumbo Love” set by Penny Black. I wanted to create a cute scene, so for that I took one patterned paper from American Crafts Dear Lizzy collection which was pretty much plain, I drew a wall patterned on it and colored it with Prisma Pencils. In this set there is this cute images of Mimi and Miles and they both are sitting on an elephant. I stamped them twice and colored them with Prisma pencils and cut them separately and adhere them on the brick wall. The sentiment is from Studio G, I just love the fonts of this sentiment and I guess it goes well with the scene, what do you think?? Added some punched hearts and glitters. Hope you will like this card.

Thank you so much for stopping by and see you soon. ?
