Week 143 - 4 Ombre

I am entering my card in few challenges

Here is my card

---

mentioned in my earlier post that I love all the vibrant colors of the inspiration picture of Altenew's current challenge which is of Forbidden City – China. This time I die cut a few Scalloped circles from plain and gold card stock. I inked two of them with Memento and Distress inks and gave it gradient look. I wanted same ombre effect on my flowers as well, so I gold embossed the "Painted Flowers" third layer and inked it. I adhere everything with dimensions. I love all the bright colors yet the CAS design of my card. Hope you will like my card too.

Thank you all for stopping by and see you very soon.
