I love the loose watercolor technique or wet on wet technique for my projects. On this card I stamped the beautiful image from “*Charmed*” set by Altenew and colored it using zig markers and Distress ink. I wanted to give it those layered flower look so colored loosely with the different shades of reds, yellows and blues. Love the color combination together. To give that super artsy look I splattered the background with red and blue color. The sentiment is from “*Wonderland*” set by Altenew, sweet sentiment isn't it? Hope you will like my card.

Thank you so much for stopping by, see you all soon. ?
