So simple and pretty. ?

I made this card

[20130226_163624](#) I used bold colored strips from Basic Grey's – Hello Luscious paper, just love them, and punched butterflies, I like the mint color on these strips. Really like the simple look of the card. I used Hero Arts stamp set for the sentiment and used Rich Cocoa Memento ink for that, goes perfect with those strips.

Thank you so much for visiting.
