
Live Love Lough... :-)

Description

Hey friends, smile..smile..heheee..yes card with camera element. ?

challenge-21 type unknown

20130307_164730 type unknown I wanted to make this card since I bought this Polaroid paper by American Crafts (Dear Lizzy Neapolitan Collections), I am in love with this collection. I really like this sentiment "Live Love Laugh", so positive, isn't it? so when I saw this challenge at Moxie Fab World I immediately thought to make this card. All the papers I have used are from American Crafts except the sentiment "Smile" which is from Cosmo Cricket. I wanted some fun embellishments for my each Polaroid and sentiment so for the first one I used bird from Hero Arts (CL439), the feathers are handmade, I drew feathers on a card stock and colored them with Prisma pencils and cut them, for the second picture used heart flower from Hero Arts (CL351) and for the last one used stars, Hero Arts (AR 191 – Be Merry), for the sentiments I used Hero Arts (CL141), I do not have small image of camera or any smiley little face so I drew a camera with the smiley face and colored it with Prisma, added washi tapes to each picture and lastly added some stickles and glossy accents. ?

Thank you so much for stopping by. See you soon. ?
