SEparations February 2016

I am also entering in the current challenge of SEparations Challenge. This month's artist is Anita in France. Love her CAS card with ombre hearts.

Here is the card

wanted to create a CAS card with vibrant colors, so I created a water colored background for my tag. I used shades of red, orange and yellow for the ombre effect. I colored the adorable image from one of the Penny Black set using my brand new Faber Castell Polychromos colored pencils. ? I stamped the sentiment on the tag which is also from Penny Black. After that I die cut two scalloped circle frames and water colored it in ombre. Finally adhere everything on a card base. I really love how it turned out and looks so special. Hope you will like my card too. ?

Thank you so much for stopping by and please stay tuned as I am posting one more card in few minutes. ?
