

Love!!

### Description

Image not found of type unknown

Hello friends!! It's time for the brand new challenge at the [Simply Create Too blog](#). The new challenge is all about "Love".

Here's my card

---

water colored the portion of the background using Zig markers. After that I hand stitched chevron pattern using Amy Tangerine's stitching stencil. I love how it adds a little more texture to it. The main image is from Penny Black's "Jumbo Love" which I colored using polychromos pencils during the last 30 day coloring challenge. The sentiment is also by Penny Black. Lastly assembled the card using some patterned papers and some sequins. Hope you like this bright card with those adorable images. For more inspiration please visit the [Simply Create Too blog](#).

Thank you so much for stopping by, see you all soon. ?
