Merry Christmas!!

Description

Hello friends!! I am back with a Christmas card today.

I used “

Floral Shadow’ set by Altenew to create my own mistletoe. I water colored it using zig markers and highlighted it using Polychromos pencils. Also made a bow using the same set. Added some splatters on a card base and added the images. The sentiment is by Hero Arts. I love how it turned out especially I didn’t use any Christmas stamp for my focal image.

Hope you will like my card, see you all very soon. ?
