Hello friends!!! I am back with a new card and a new challenge at [Simply Create Too Blog](#). The current challenge is all about Christmas in July. Can you believe its already July? It is always better to have some Christmas card ready in advance.

Here's is my card

I used

the most cute stamp by Newton's Nook Designs "Holiday Wishes" for my card. I stamped the stockings string and gifts on my front panel and colored it using Faber Castell's Polychromos pencils. I also used the same pencils to colored the background. I added some simple stories snowflakes sticker from my stash to the card and I cut the Santa image form one of the Bo Bunny patterned paper. Lastly added some stikles for more interest. I really love the festive look of this card. Hope you will love my card.

Thank you so much for stopping by and see you all very soon. ?
