

My Friend!!

Description

Hello friends, I am so sorry for not posting any of my cards in last few days. The reason for it is I am currently in my home country which is India, yes after three and half years I finally got a chance to visit my home country, family and friends. I did bring few of my craft supply with me to get connected with my crafty friends but I did not get chance to create any card, but I made a card today.

 I am entering this card in the Virginia's View Challenge.

 Challenge 25 type unknown

Also I am entering it into Avery Elle's Rainbow challenge.

Here is my card

 I love to create background with Distress inks and it is my most favorite inks, so for this card I used various colors of Distress Inks to create the rainbow background. I then stamped the sentiment from a set by Avery Elle. I love those beautiful fonts on that lovely rainbow background. I added two cute little birdies with some dimensions. Those little birdies looks so cute with all the bright colors, hope you will like my card too.

Thank you so much for stopping by and see you all very soon.
