I made a fun birthday card by using various Penny Black stamps. I created a scene where all super cute charterers are celebrating Mimi's birthday. I stamped all the sweet images and colored them with Prisma pencils, adhere them with some dimension. I inked the background with Memento inks and used some patterned papers by BasicGrey and American Crafts. Lastly added some stickles. All Mimi's and Lulu's friends looks super adorable together. Hope you like it too.

Thank you for stopping by and see you all soon. ?
