I used “Avery Elle” stamps “Furry Friends” set for my card. I coloured these cute images using polychromos pencils. For the design of my card I got inspired by one of my old card which I made few months back. Many times it happens that you have so so many ideas but none of those ideas works, that time I like to get inspiration from one of my old designs.

For this card I got inspiration from my [this card](#). I love using bright colours but also want white space and this design is combination of both. I die-cut the circles using Waffle Flowers Craft and Sizzix dies and inked them using my favourite Distress inks. Added the images on it. The sentiment is by MFT Stamps. Lastly, added sequins and clear drops. I love how it turned out.

Thank you so much for visiting, see you all soon. ?
