these colorful triangles, so thought to make a card using Tuesday Trigger's color palette with triangles.

Here is what I came up with

few water colors and colored on a water color paper and after that I white embossed the triangle by Hero Arts on them. I arranged them and gave a little dimensions to make the colors pop out. The sentiment is also by Hero Arts "Remember" set. I added some dots of the same water colors and lastly added stickles. I love the clean and simple yet the colorful look of my card.

Thank you so much for stopping by and see you all soon. ðŸ™,
