Hello everyone. I'm here with a cute card which I made for the new challenge over at [Cupcake Inspiration Challenge Blog](#).

Our new challenge is a Theme Challenge:

Source

Make a project that uses the theme: Oh My Stars

Here's my card

Image not found or type unknown

I used Colorado Craft Co's stamp design by Anita Jeram. I love this stamp line with big iamges and beautiful sentiments. I watercolour the image using zig markers. I love making night sky background on my cards and here I inked my background using fabulous Distress Inks then splattered very very little water drops to achieve this galaxy effect and once everything was dried I added white acrylic paint for the stars. In love with this darling card. Visit our blog for more fun project inspiration.

Thank you so much.
