

Spring Rose Cards – Joy Clair

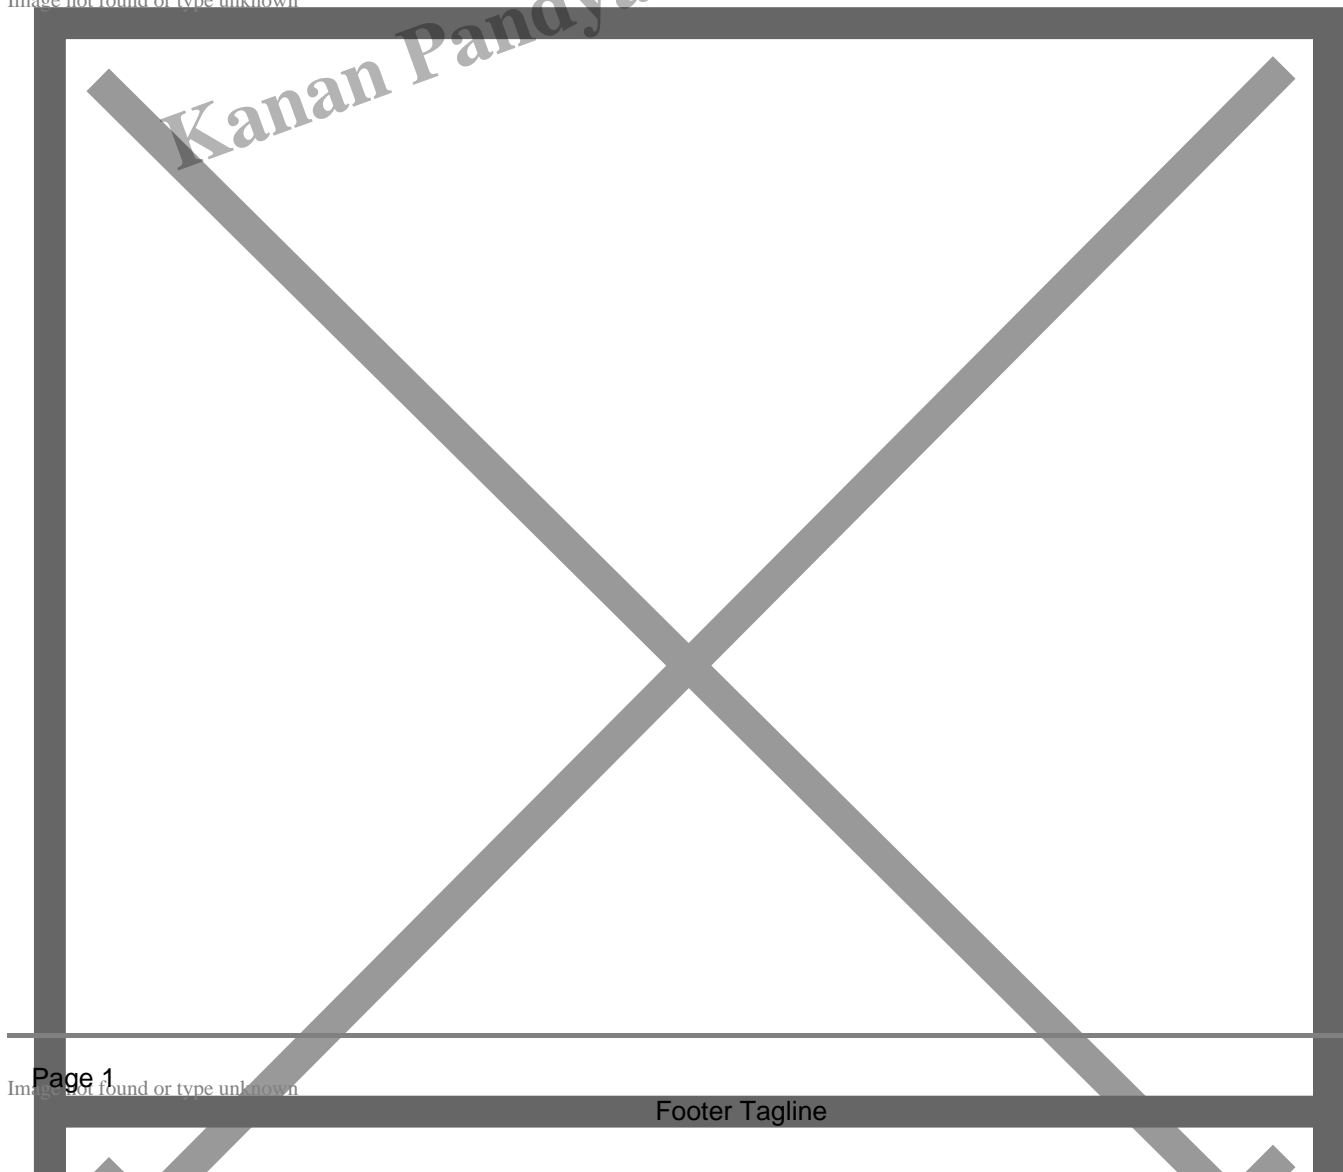

Description

Hello everyone. I am so excited to share my first post here as a [Joy Clair](#) design team member.

I have two cards to share with you all. For which I have used "[Ray of Sunshine](#)" collection.

Here's my first card.

For this card I used "[Spring Rose](#)" stamps set which I printed on a card stock. I first use watercolors as a base layer to color the flower, after that I highlighted it using *Polychromos* pencils. I inked the card base using *Distress Inks* and added some water drops for that cool effect and adhered the colored flower. The sentiment is from the "[Modern Duet Bundle](#)".

Here's the second card.

another flower image from the “[Spring Rose](#)” set and for the leaves I used “[Modern Duet Bundle](#)” set. I water colored the images using “[Zig Markers](#)”. I added the black watercolor splatters on a white die cut panel and adhered the flowers and leaves with some dimensions. Added the whole panel on a white card base. The sentiment for this card is from the “[Forever Movements](#)”.

This new collection is so fabulous and versatile, I am sure you will love it.

Happy crafting. ðŸ™,
