[Autumn Arrows](#) The current Tuesday Trigger is having so many possibilities, wonderful colors, trendy arrow design.

Here is my card

my front panel with various Distress inks, I only took the fall colors after that I sprinkled some water drops (My favorite technique). The Autumn leaf has been given by my sweet friend Kailash (Thank you :-)). I really like this bright colored leaf against that background. I stamped the sentiment by Hero Arts. Lastly added some gems. I tried to capture all the fall colors and I really like how it turned out. Hope you will like this card too.

Thank you for stopping by and have a great week. ?
