de his be no Love this pretty dress, so beautiful isn't it?

Howe is my car

all the mix of soft and bright colors on that dress. It has the watercolor effect. I wanted to use watercolors on my card but with some designs, so I applied watercolor directly onto "Classic Fabric Design" stamp set by Hero Arts and stamped it on the card base. I really like the effect and how all the colors blended. I liked that soft aqua belt and matching clutch, so I white embossed the sentiment onto soft aqua colored paper and adhere it with some dimension. I tried this technique for the first time and I really liked the result, hope you will like this card too.

Thank you so much for stopping by and see you all soon. ?
