I am

entering the card for the current CASology challenge. The cue word is "DOT" so many possibilities.
Here is my card

the orange and navy blue combination of the inspiration picture. For my card I inked the background with Distress inks. I drew a little girl, who is gazing at stars and moon. I love her dress, I deliberately drew the sleeves of her dress off shoulder and I guess it looks cute. I colored her with Prisma pencils and to add some design on her dress I drew some polka dots. I used Hero Arts stamps "Brush Strokes" for moon and CL305 for stars and CL216 for sentiment. I love this night scene, hope you will like this card too.

Thank you for stopping by and see you all soon. ?
