Hello friends!! I am here with a new post.

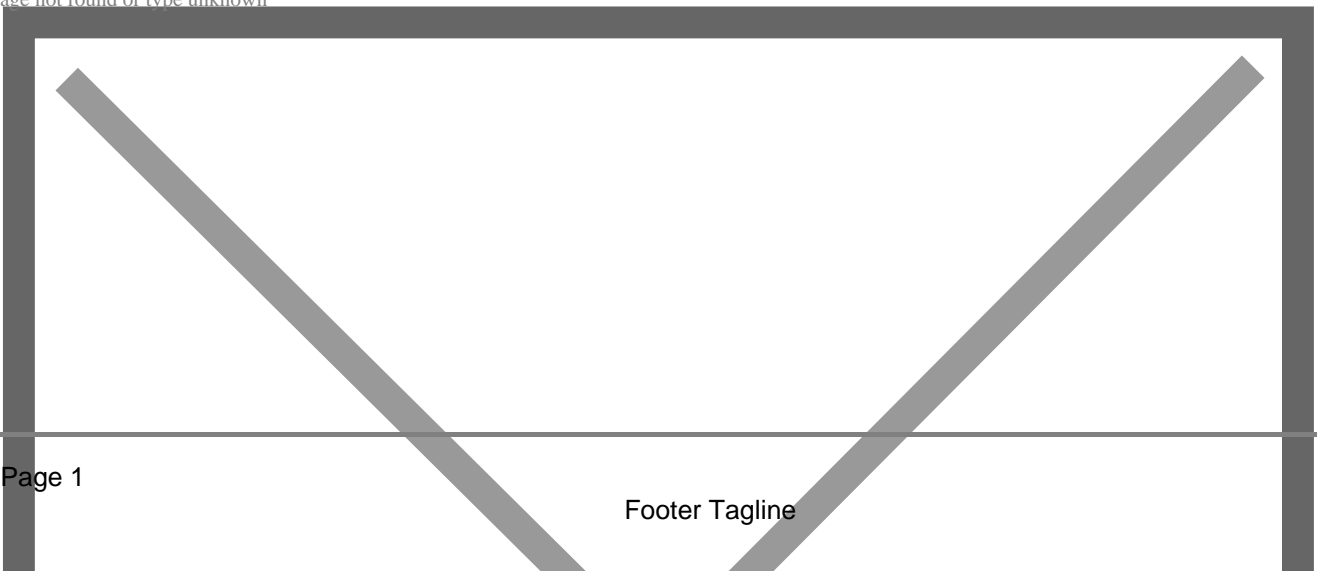

I am

inspired by the current sketch over at CASE This Sketch challenge blog.

Here's my take.

I got

this cute bunny stamp set from my local craft store. I stamped one of the image form the set on a card base and colored it using *Polychromos* pencils. Wanted to added some colors on the background as it was looking very simple so, I water colored it using Distress ink. Added few hearts and a star image for extra interest and finally stamped the sentiment from the Stampendous set. I love how it turned out, those cute bunnies and all the happy colors goes so well with the sentiment.Hope you will like my card.

Thank you so much for stopping by and see you all soon.
