Here is my card

---

never played with Mo's Digital Stamp before but I always wanted to and finally I got this adorable digital stamp from Mos Digital Pencil. I just love all the images by Mo's. All are beautifully illustrated and very very cute. I colored mine using Prisma Pencils and Copic markers, yes Copic I got few copic, but I have very few shades and for this card I only use them to color that sweet girls sweatshirt. I used Prisma pencils for everything else. I love that cute dog and had fun coloring him with Prisma and I sort of love how realistic he looks. ? I inked the background with Distress inks and used my modeling paste with stencil to create few stars and added Martha Stewart's glitters on them. Just love this card, it makes me super happy and I cant wait to buy few more adorable digital stamps from Mo's Digital Pencil. Hope this card will make you happy. ?

Thank you so much for stopping by and see you all very soon. ?
