

You are Amazing!!

Description

Image not found of type unknown

Hello friends!! I am here with a new card. I am participating in a [CASometry Challenge](#) by Anu Kousakovskaya. This is her third challenge.

Here's my card

chose "Addie's Garden" stamp set by Winnie & Walter. I have hardly used this stamp set. I love all the pretty floral images and chose hydrangea image to create this card. I stamped my image on a watercolor paper and colored the flowers using Zig markers. I chose shades of purple, blue and pink and green. After that I cut the flower only on the edges and adhere it on a green card base with some dimension. the sentiment is by Simon Says Stamp. I am really happy that can used some of my untouched and old favorite stamps during this challenge. I hope you will like my card.

Thank you so much for stopping by. ?
