

You Inspire Me.

Description

Hey friends!!! I made a CAS card today.

[Pattern Play](#) So pretty inspiration at Moxie Fab World's Tuesday Trigger

I made this card

[20130310_164847](#) I got this new stamp set from Michaels and just love it, it gives so traditional feel, the design resembles the "Mehndi Art" which is customary in our culture especially during occasions such as marriage. I used all Memento inks and the sentiment is from Hero Arts (CL351), also used some sequins, it looks so elegant. Love the simple look of the card.

Thank you for checking on my post, see you until next time. ?
